Summary

I am currently a student at Gandhi Institute of Technology and Management (GITAM) in Bengaluru, India. I am pursuing a Bachelor of Computer Applications (BCA) degree and I have always been interested in technology and programming, and the field of Cloud Computing has always fascinated me with its vast potential and opportunities.

Throughout my studies, I have had the opportunity to learn about the various technologies and platforms used in Cloud Computing, such as Amazon Web Services, Microsoft Azure, and Google Cloud.

In addition to my studies, I am also involved in several extracurricular activities on campus. I am a member of the coding club, where we work on projects and gain new knowledge. I am the Student placement coordinator at GCGC.
I am excited to see where my studies in Cloud Computing take me, and I am confident that it will set me up for a successful career in the tech industry. I am looking forward to exploring all the opportunities that Cloud Computing has to offer in the future.
